Why We Do This

Our Mission: Tucker Maxon School teaches children who are deaf and hearing to listen, talk, learn, and achieve excellence together.

Our Goal: To help every child reach their full potential in school and in life.

The Problem: Tucker Maxon receives no funding from the State of Oregon (unlike most schools like ours across the country). We have to raise \$778,000 this year.

The Solution: You!

Auction Information

Begin Here

Vault your credit card at registration and start bidding.

Silent Auction

All items have a corresponding Bid Sheet placed near the item for bidding. Simply put your Bidder Number tied to your credit card in the space provided, and the bid amount you wish to pay. Once bidding has closed, if you are the last name of the sheet, you win the item! All time-based items, like theater tickets, expire May 18, 2025, unless otherwise noted.

Live Auction

Just like other live auctions, you received a Bidder Number in your welcome packet. You will use this number when bidding during the Live Auction. Raise your Bidder Number high and hold it there until your number has been called by the auctioneer. All time-based items, like vacation packages, expire May 18, 2025, unless otherwise noted.

Banking/Payment

All payments for purchases and/or donations are due the night of the auction. We gladly accept personal checks (preferred), or Visa. All sales are final. We are unable to refund or exchange items.

If you forget to check out at the end of the night, don't worry! We will check you out following the event with the card you put on file at check in.

Item Pickup

All items should be picked up the night of the auction in the foyer after 9:15 PM. For an additional \$100 donation on the night of the event, we may be able to deliver larger items to your home within 10 days of the event. Please talk to us at the event if you are interested.
